FEATURED SPEAKER:

KLEMPNER

Dr. Leon Klemperer

NAME:
LEON S. KLEMPNER, D.D.S

BIRTHPLACE:
Schenectady, New York

SPECIALTY:
Orthodontics

PRIVATE PRACTICE:
Port Jefferson, Long Island, NY
Medford, Long Island, NY

BIOGRAPHY:

After receiving his DDS degree, Dr. Klemperer attended Tufts University where he graduated with an advanced specialty certificate in Orthodontics. Following graduation he practiced for about a year in Boston, before moving back to Long Island to open the Medford office in 1978. Dr. Klemperer is a Diplomat of the American Board of Orthodontics, as well as a faculty member of both Tufts University School of Dental Medicine and Stony Brook Dental School. He has recently joined the Cleft Palate team at St. Charles Hospital in Port Jefferson. He is a member of numerous professional organizations and has lectured internationally on the topic of Early Orthodontic Techniques.
